SOFT AND WOOLY FUN: Why did the alpaca cross the road? To visit New Horizons! Residents enjoyed meeting the animals—which sported recent summer haircuts—from Harvard Alpaca Ranch. Pictured above, left to right, with the ranch's alpaca handler: residents **Delores Southwick, John Furey, Peg Bouvier, and Patricia and John Healy.**

NEW HORIZONS RESIDENT ON THE MOUND! The Worcester Red Sox invited New Horizons resident and die-hard Red Sox fan **Alberta Fullem, 101**, to throw the first pitch at a recent home game against the Lehigh Valley IronPigs. Afterwards, Alberta watched the game with her family in the WooSox President's Box. Above left, Alberta throws her pitch. Above right, WooSox pitcher **Chase Shugart** gives Alberta the starting game ball.
