A Turning Point in Senior Living!

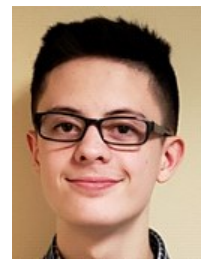

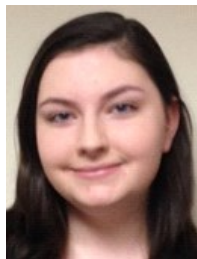

June 2020

An historic occasion in our community occurred on April 28, when 18 members of the Massachusetts National Guard visited to perform COVID-19 tests for 306 residents and colleagues. With ZERO positive tests, the results were everything we could have hoped for, and we will all remember the day forever.

It's graduation season for many of our student staff members. Please join us in wishing them all great future success.
