*A Turning Point in Senior Living!*

**June 2022**

**Resident Green House Coordinator Elizabeth Gebhard Created Fairy Gardens with the Residents.** Each fairy garden was unique and contained succulents, fairy houses, and garden paths. Fairy gardens originated as bonsai gardens in the US in 1893. They've experienced a resurgence in popularity in recent years, especially among plant lovers looking for ways to garden in a small space. Pictured above, left to right: **Elizabeth Gebhard, Cecile Quintal, Beverly Supranowicz, and Sylvia Brunelle.**

## *Congratulations 2022 Graduates*

It's graduation season for many of our student staff members. Please join us in wishing them much success in the future.

## **Father's Day Celebration**

**Sunday, June 19, from 12:00 to 2:00 PM** we will honor fathers with a mid-day barbecue outside the pool area featuring burgers, hot dogs, cold beer, and some games. This popular dads-only event is sure to be fun.

Father's Day was first proposed by **Sonora Dodd** in 1909 in honor of her father, a Civil War veteran who raised her and her five siblings.

## Paint Along with Lauren Hancz

National Honor Society volunteer and budding artist **Lauren Hancz** guided residents in creating works of art at her popular Paint Along class. Similar to *The Joy of Painting* with **Bob Ross** TV show many of us remember, in a Paint Along class, the instructor demonstrates painting a picture while participants follow along and put their own unique twist on their creations. Featured above are residents **Ilga Richters** at left and **Janet Ploetz** at right, and **Aparna Ghosh** below.
