"NEVERTHELESS, SHE PERSISTED" is the theme of this year's **WOMEN'S HISTORY MONTH**, honoring women who fight gender discrimination. New Horizons at Marlborough salutes our own trailblazer female residents, many of whom made unprecedented inroads in fields such as the military, arts, medicine, microbiology, education, fashion, social services, and business. Our lobby curio cabinet will showcase some of these groundbreaking women. They also will be featured at a special program sharing their stories about being among the first to achieve their goals. Watch for details in the weekly calendars and on Channel 918. For more information on **Women's History Month**, visit the National Women's History Project at www.nwhp.org.

WESTERN NIGHT: For our first themed dinner of the year, we served up great grub — our famous spareribs — and rustled up some bad outlaws. From left: (mustachioed) Community Services Director **Vartkes Hovsepian** is flanked by CSAs **Katelyn Reynolds**, left, and **Marianne LaFreniere**, right; we caught **Dorothy Nelson** red-handed; **Cecilia and Morris Karol** say “howdy!” (FYI: no one was apprehended, so no one collected \$20,000.) **LONE EAGLE:** Resident **Rodger Cooper** braved a pre-Super Bowl party — filled with New England Patriots fans — proudly displaying his Philadelphia Eagles pride. Congrats to the new Super Bowl champs!
