ESSENTIAL EMPLOYEE: New Horizons' Easter Bunny (aka CSA **Katelyn Reynolds**) is both an essential worker and a perennial favorite! **THE BUNNY SYSTEM FOR SAFETY:** Katelyn and rental associate **Kathy Megna** pose at a distance; resident **Glen Ransden** and Katelyn remind us how to show touch-free affection; Katelyn demonstrates proper mask etiquette on her adorable assistant.

REACHING OUT with heartfelt messages to family, friends, and the community are residents **Doris Steinman**, **William Rebh**, and **Bonnie Bancroft**. (We *all* miss our hairdressers, Bonnie!)

A Message to the New Horizons Community from Executive Director Andy Eick

By the time you read this, we will, hopefully, be approaching the other side of this terrible crisis. We have asked you to make tremendous sacrifices. You have eliminated close contact with family, stopped seeing friends in other campus buildings, and foregone group activities. I thank you for your patience and support. Until the State of Emergency is lifted, I must ask you to continue to make those difficult sacrifices. Every action we have taken has been put in place to ensure the health and safety of our residents and staff. Please continue to remember that as we begin another month of our “new normal” together.

A TIME TO GIVE: Cummings Foundation is pledging a total of \$1 million to six local COVID-19 emergency funds. First Lady Lauren Baker was exuberant in her thanks for its \$500,000 grant to the [Massachusetts COVID-19 Relief Fund](https://www.mass.gov/info-details/massachusetts-covid-19-relief-fund) during a recent Zoom call with Foundation trustees and volunteers.

THINKING INSIDE THE BOX: Pictured above: Resident Carol Holmes enjoys Wednesday's interactive **918 BINGO**. Friday's **Rolling 400 Happy Hour** is a also hit. Stay tuned to 918 for the day's changing events and important advisories. Please send your images to post on 918 to cml@cummings.com.
