December 2020

THANK YOU: Veterans from across campus attended our annual Veterans Day Luncheon. This year looked a little different than previous years, but giving thanks to our veterans in a safe manner is important to us here at New Horizons. Pictured above (left to right): Residents **Bill Wing** (above), **Ray Henning** (below), **Frank Johnson**, **Janice Calden**, and **Bill Rebh**.

Local Navy reservist **Matthew Sargent** is on a mission to memorialize the lives of Marlborough veterans. Read **Jane Gordon's** article in *Community Advocate* to learn how you can help Matthew with his mission: www.communityadvocate.com/2020/11/03/honoring-marlboroughs-fallen-heroes/.

SPOOKY SEASON: Evening waitstaff and residents got in the spooky spirit and dressed up for dinner on Halloween. Costumes included bats, spiders, fairies, and even a package of Skittles. Pictured above (left to right): Waitstaff **Kaleigh Morales** and **Layany Guimaraes**; waitstaff **Amelia Crozier**, community service associate **Linda Clancy**, waitstaff **Jillian Gowaski**, and waitstaff **Louisa Barth**; resident **Ilga Richters**; and resident **Joe Dzigas** and **Jillian Gowaski**.

CONGRATS TO OUR NEWEST CENTENARIAN:

Resident **Elizabeth McBride** has turned 100 since our last newsletter. We surprised her with some birthday treats to celebrate the occasion. Please join us in congratulating Elizabeth and wishing her a very happy birthday.

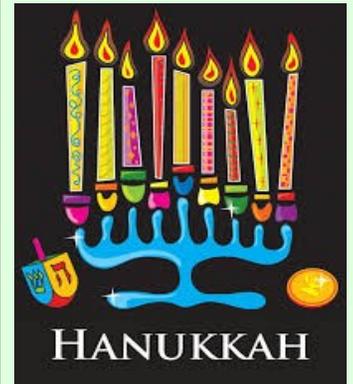

MOLLY'S CORNER: My name is **Molly Lukason**, and I am the director of the new memory care program here at New Horizons at Marlborough. It has been wonderful to meet the residents, hear their stories and their interests, and become part of their world. It has been equally rewarding to meet and talk with loved ones. Thank you all for your support during this transition.

Molly's Corner will be a regular segment in this monthly newsletter. My goal is to update the community on upcoming events, introduce staff, and let everyone know about any changes to the program.

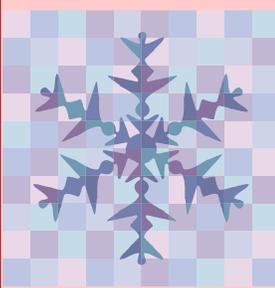

Feedback and suggestions are the main ingredients for successful connections. One of my first goals is to organize a monthly family/friend support group for those with loved ones with memory deficits in the New Horizons community. Please contact me with suggestions for days and times that best work for you. I look forward to working with everyone in the community and getting to know the all the residents here.

Please contact me at **508-460-5200** or mhl@cummings.com if I can be of any assistance.

HAPPY HANUKKAH:

All are welcome to participate in the eight-day **Hanukkah** lighting ceremony, which begins **December 10 at 4:00 PM** in the **Greeting Room**. Please RSVP to **Debi** at x5227 if you would like to attend.

CHANGING SEASONS: As we prepare for winter, please turn off the air conditioning and report any heating system problems to the Front Desk. You can help our Snow Team with safe and efficient snow removal by:

- 1) Making sure your car starts
- 2) Displaying a current parking sticker
- 3) Providing a spare set of keys to Community Services so we can easily move your car during a storm.

For complete details, see the Snow Parking Plan posted in the building entries.
