

COMMUNITY CONNECTION

New Horizons at Marlborough

A Turning Point in Senior Living!

February 2026

Community Cares Club

Residents in our Community Cares Club continue to demonstrate caring in action. Pictured, right, members spent time helping nonnative English speakers from Boston's Approach International Student Center practice conversational English and build meaningful connections.

Thanks to the generosity of many residents, the Club will also help keep neighbors warm and fed this winter. After delivering a collection of donated hats and scarves to Marlborough Food Pantry (center), the Community Cares Club dropped off a minivan full of donated food and toiletry items to the Friends Fridge in Marlborough (bottom).

This month, Club members are collecting kitchen items for cooking, measuring, and baking on behalf of Fresh Start, continuing their commitment to supporting those in need.

Residents interested in volunteering are encouraged to contact **Fred** at 508-460-7158 for additional information.

MEMORY CARE HIGHLIGHTS

Memory Care residents took a trip to the American Heritage Museum in Hudson

Victor Valenti

Susan Clark and Claire Morrison

Daniel Phaneuf

Heard Around Town

Important Delivery Reminder for 400/402/406 Residents

Please clearly label all packages with the recipient's full name and street address, including the building and suite number, so that items can be efficiently delivered by our team.

All deliveries should be left with the Front Desk, as other entrances are not consistently staffed or used and items risk being misplaced or left unattended overlong.

Please note that special "door-to-door" delivery services often leave parcels in unexpected, unattended locations, and should also be directed to the Front Desk at the main entrance.

Thank you for helping us ensure a safe, efficient delivery process.

MEET YOUR NEW NEIGHBORS

Bob Hyotte

Bob was born and raised in Natick and graduated from Northeastern University. During their 54-year marriage, he and his wife, **Candace**, have built a loving family that includes two children and three grandchildren. Chief among his accomplishments, Bob is most proud of his children and the people they have become.

Bob enjoyed a long and successful career as vice president of sales and marketing at Honeywell Inc. His work took him throughout the United States, as well as to Europe and Asia. Along the way, he was even featured in a professional advertisement. Bob also served as a staff sergeant in the U.S. Army Reserves.

An enthusiastic adventurer and outdoorsperson, Bob most likes to travel, garden, and sail. As he begins this new chapter, he especially looks forward to making new friends and becoming an active, engaged member of the community.

Tom Chisholm

Tom, as well, is a Natick native and Northeastern University alumnus. This proud U.S. Army veteran earned a degree in electrical engineering before dedicating 40 years to the telecommunications field, working for New England Telephone, NYNEX, Verizon, and various other providers as the industry evolved.

Tom was married to his beloved late wife, **Beverly**, for 66 wonderful years. He honors her memory by sharing that she was a loving partner to him and a devoted mother to their three children. Family has always been at the center of Tom's life, and today that strong, bonded family includes eight grandchildren and two great-grandchildren.

In his free time, Tom enjoys playing bingo and cards and appreciates activities that bring people together. He looks forward to meeting new people, building friendships, and being part of New Horizons' welcoming community.

*We are thrilled to extend a warm welcome to **Bob Hyotte** and **Tom Chisholm**. Please join us in supporting them as they embark on this new journey.*
