New Horizons at Marlborough
Serving Metrowest Seniors Since 1994
A Turning Point in Senior Living!

June 2021

ALMOST THYME TO GARDEN: Residents worked across campus to move approximately 700 seedlings for our raised beds into bigger pots. At this rate, we'll have fresh veggies for our kitchen in no time! Pictured above, left to right: **Helen Precourt** and **Veronique Turner** celebrate a job well done; **Lydia Whitcomb** and **Lorraine Lesieur** plant beans and sweet red peppers; and **Frank** and **Sandy Johnson** work together to pot flower seedlings for their raised bed plot in the 400 Hemenway Greenhouse Courtyard.

ART CLUB: The Art Studio overlooks the courtyard by the greenhouse and serves as a beautiful spot for Art Club members to meet. Residents draw inspiration from scenic garden views while creating amazing pieces. Pictured, left to right: **Allen Boemer**, **Phyllis Bagdasarian**, **Sandra Wing**, and **Janet Ploetz** sketch in their art pads. We look forward to seeing their impressive work.

LET'S TACO ABOUT FUN:

It was a festive Cinco de Mayo at New Horizons. Everyone enjoyed chips with salsa and guacamole, fish tacos, margaritas, and Corona beers.

Pictured, left to right: Servers **Sky Morales** and **Lavinia Valetim** with resident **Frances Denzel**; and CSA **Estuardo Marroquin Lopez** with resident **Mary Aykanian**.

New Horizons at Marlborough

THANK YOU: Associate Director of Food Services **Tony Sosa** dropped off lunch for Marlborough Fire Station. The hefty platter of BBQ ribs, potato salad, baked beans, and dessert served as a token of our appreciation for the team's service to the New Horizons community.

GETTING CRAFTY: On the third Saturday of each month, we host Arts and Crafts in O'Connor Common. Residents recently customized their tote bags with drawings, stickers, and ribbon. Pictured above, left to right: **Ilga Richters**, **Asuncion Sedo**, and **Peg Bouvier** display their creations.

HAPPY MOTHER'S DAY: We observed Mother's Day by sharing old photos of residents with their mothers or children in the curio cabinet in the 400 lobby. Pictured below, CSA **Emily Morais** helped pass out adorable succulent plants, and resident **Shirley Ivy** was delighted to receive hers.

ARTIST ALLEY celebrates poetry. Stop by to read the beautiful words of featured resident artists **Frank Johnson** and **Anita Rizzo**.

DANCING QUEENS:

Resident and staff alike were delighted to welcome the **Flashback Band** for a live outdoor show. Pictured, resident **Zabel Fay** (left) and hairdresser **Erlene Hinckley** (right) boogie down.

BONUS **EARN REWARDS** when you help a friend find a new home in our community. We are inviting all residents and their families to help us spread the word about available apartments at New Horizons. As a thank you, a \$2,000 credit will be applied to the referring resident's account when our new neighbor moves in. Please see a director for details of this referral program.
