Meet Your New Neighbors

Pam & Don Brennan

Pam and Don Brennan were both born and raised in Schenectady, New York. Although they grew up just a block apart, they did not meet until their late twenties, when a mutual friend introduced them.

Don served in the U.S. Air Force during the Korean War before earning a degree in Electrical Engineering from Rensselaer Polytechnic Institute. He went on to enjoy a long career with General Electric.

Pam earned her teaching degree from New York State University and taught sixth grade until she and Don started a family.

Together, the pair raised five children—three daughters and two sons. The family spent many summers at camps Pam and Don owned in Vermont and on Georgetown Island, Maine.

Today, Pam and Don are proud grandparents to 13. They moved to New Horizons to be closer to two of their daughters, and are look forward to meeting new people and becoming part of the community.

Steven Ziegler

Steven Ziegler was born and raised in Springfield, Massachusetts and graduated from Northeastern University. A proud U.S. Air Force veteran, he spent his service traveling throughout Europe and Asia before engaging in a civilian career as a firefighter.

Steven was married to his wife, **Susan**, for more than 50 years, and together they raised two sons, **Mike** and **Dave**. The family shared a love of the outdoors, often camping and enjoying motorcycle rides together.

Steven continues to enjoy a lifelong passion for cars, motorcycles, and mechanics. He looks forward to sharing stories and connecting with fellow residents in his new community.

Meet Your New Neighbors

Fred & Milly Dunfey

Fred Dunfey studied at Boston College, Rochester Institute of Technology, and Brown University before entering the workforce as a software engineer. Milly graduated from University of Colorado and completed Montessori training, working with young children early in her career.

The pair met during a ski trip snowstorm, married in 1978, and raised four children. They share a love of kayaking, pickleball, and travel, both within the U.S. and abroad. Milly collects mugs from their travels and Fred, a theology enthusiast, enjoys adding to his collection of theology books.

Fred and Milly both look forward to staying active and engaged in community life.

Carol & Mike O'Grady

Carol and Mike O'Grady were both born in Cambridge (just nine days apart) and raised in Watertown, Massachusetts. They began dating while attending the former St. Patrick High School in Watertown and have been happily married for 60 years.

Mike attended Curry College and built a successful career in retail management, including serving as vice president of Medi Mart (a Stop & Shop company). Carol devoted 25 years to medical equipment manufacturer Invacare.

The couple lived in Framingham for 52 years, and the city remains close to their hearts. They are proud parents of three and grandparents of six, whom they consider their greatest joy.

Carol and Mike enjoy traveling—especially on cruises and island vacations—along with playing cards, being social, and staying active. Carol plays Mahjong with her long-time friends, and Mike is an avid golfer who also manages a condominium in Framingham. They look forward to building new friendships at New Horizons and wintering in Florida.

*We are thrilled to extend a warm welcome to **Pam & Don, Steven, Fred & Milly, and Carol & Mike**. Please join us in supporting them as they embark on this new journey.*
