Heard Around Town

Festive decorations help brighten our community, and all residents are welcome to decorate their doors in holiday or seasonal themes.

To ensure an inclusive environment for all, we ask that decorations remain respectful and appropriate for a shared living space. Please refrain from displaying political, offensive, or controversial messages and imagery.

We also ask that decorations be kept to a reasonable size and confined to your individual door area. Decorations should not obstruct hallways, doorways, or common areas, and must comply with all safety and fire regulations.

MEET YOUR NEW NEIGHBORS

June & Bob Tiernan

June was born and raised in Lynn, and Bob is from Chelsea. This local couple met at a “friendly” nightclub and were married in 1963, later settling in Dedham to raise their six children. Today, they are proud grandparents to 15 grandchildren and two great-grandchildren.

Bob attended Boston College, earning both undergraduate and graduate degrees prior to starting a successful career in sales. A proud veteran as well, he often shares stories from his service in Korea. June worked at Norfolk County Superior Court and has an impressive collection of Swarovski crystals.

Bob and June are very outgoing and love to chat. They have traveled to nearly every U.S. state, and they cherish their many memories of family ski trips. These days, June is especially fond of knitting, and Bob looks forward to joining the men’s club.

Frank Parillo

A Boston native, Frank studied accounting at Northeastern University and graduated with a degree in business administration. He later returned to complete an MBA, teaching classes in conjunction with an accounting fellowship, and ultimately built a fruitful career as a controller for an electronics company.

Frank shared 58 wonderful years of marriage with his beloved late wife, **Patricia**. Together, they raised four children, who blessed them with two grandchildren. This proud U.S. Army veteran also dedicated 47 years of service to Boy Scouts of America, making a meaningful impact on the lives of many young people.

Over the years, Frank has traveled throughout the U.S. and Canada. He enjoys staying active, especially through hiking and walking dogs, and looks forward to meeting new friends and participating in activities at New Horizons.

MEET YOUR NEW NEIGHBORS

Carole LaMotte

Carole was born and raised in Worcester. She attended Becker College and enjoyed a fulfilling career as an office manager and bookkeeper, bringing organization and care to all she did.

Carole spent 57 fantastic years of marriage with her late husband, **William**, who passed just a year ago. Together, the pair raised two sons and a daughter, and created many cherished family memories that she holds very close to her heart.

Over the years, Carole has enjoyed traveling to Canada and Bermuda. She spends her free time these days gardening and working on puzzles. This former Florida resident returned to Massachusetts to be closer to her family and looks forward to the new adventures that await her at New Horizons.

*We are thrilled to extend a warm welcome to **June & Bob Tiernan, Frank Parillo, and Carole LaMotte**. Please join us in supporting them as they embark on this new journey.*
