A Turning Point in Senior Living!

January 2018

In the words of Mark Twain, “If you don't like the weather in New England now, just wait a few minutes.” Whatever Mother Nature has in store, our “Snow Team” is prepared with plows, shovels, and snow rakes. Meadows resident **Frank Gurley**, for one, appreciates New Horizons’ snow-related services. According to Frank, “The amenities here are incredible! They even brush snow off my car!” When the snow plan is in effect, you will see orange cones blocking parking spaces. Please follow your building’s posted snow plan. If we have a set of your keys, our maintenance team will move your car; otherwise, as a last resort, we must tow any cars that hinder safe snow removal. Thank you for your cooperation.

MAY THE FORCE BE WITH HIM! The “him” is **Joe Quinn**, New Horizons’ latest centenarian and Brookline’s oldest living police officer.

Brookline’s finest dispatched a special delegation to New Horizons in honor of Joe’s 100th birthday. They joined about 60 members of Joe’s family and the New Horizons community to mark the occasion (one that Joe has been planning since he was 95). They presented the self-described “Greatest of All Time” Pats fan with a New England Patriots football autographed by owner (and Brookline resident) **Bob Kraft**. They also let him try on a little bling: a Patriots Super Bowl ring! Joe’s secrets to longevity are 1) never sweat the small stuff and 2) start each day with a hearty breakfast of eggs, bacon, toast, coffee, and juice.

MARTIN LUTHER KING JR. DAY is **Monday, January 15**. The federal holiday honors the birthday of the slain civil rights leader. His inspirational preaching advocated nonviolent protest to effect social change. Our observance will begin at **2:00**

PM in O’Connor Town Common with a lecture by **Dick Pearson**. It will be followed by the playing of King’s iconic “I Have a Dream” speech. It was delivered **August 28, 1963**, at the steps of the Lincoln Memorial in Washington, D.C.. The event capped the March on Washington for Jobs and Freedom. In February, we will commemorate **Black History Month** with several special events. Check your February events calendar and watch Channel 918 for details.

FRIENDLY COMPETITION, ANYONE?

Dominoes? Cribbage? Rummikub? If you're ready for a little gamesmanship, our staff is ready to play! Join us **Monday, January 15, at 10:00 AM** in O'Connor Town Common for our first monthly board game extravaganza. Pictured: Scrabble players **Doris Ellison and Herb Raphael**.

LET THERE BE SOUND! Two of our resident "Bobs," **Simcoe** and **Noonan**, put their heads together to solve a problem afflicting our chapel: occasional inaudible audio. **Bob Noonan**, formerly of famed speaker maker Bose Corporation, and **Bob Simcoe**, electrical engineer extraordinaire, came up with a solution. It involved a new mixer, a 31-millisecond sound delay processor, matching speaker impedances and a new wireless mic. The results are clear as a bell! Thank you, Bobs!
